Terms and Conditions

Your student is being provided with an Apple iPad and Apple ID account for school use along with a case, cable, and power charger. This device is the sole property of and must be returned to the Fox Chapel Area School District (FCASD) at the conclusion on the school year. The device shall be used only for the purposes for which they are issued in connection with the schoolwork assigned by classroom instructors.

The use and care of the device(s) is subject to FCASD’s Acceptable Use Policy, Care of School Property Policy, Protection of Property Policy, and Electronic Device Policy. Management software and configuration settings on the provided devices are not to be changed or removed. Violations to District policies, school rules, pledges, or these Terms and Conditions shall result in disciplinary action.

Notice must be given to Dorseyville administration and FCASD’s Office of Educational Technology immediately if the device does not function properly, is damaged, or lost.

If the device(s) is damaged, lost or stolen during the time it is in our possession under this agreement, parents/guardians may be responsible for the cost of repair or replacement. Equipment that does not function due to hardware defects will be repaired or replaced. Parents/Guardians will be responsible for accidental damage from handling (ADH) and agree to pay the repair costs. First and second damage incidents will results in payment of damage costs. Third incidents will result in payment of total device cost.

Students are responsible for how they use the devices and the content they access. Students should make good decisions when accessing and sharing content over the internet. Parents/Guardians will provide appropriate supervision of the devices and the content accessed while the device is off school property.

Policy Overview

815 Acceptable Use of Electronic Information

Students are expected to act in a responsible, ethical and legal manner in accordance with district policy, accepted rules of network etiquette, and federal and state law. Network use and the use of all district electronic devices, including cell phones, is a privilege, not a right; inappropriate, unauthorized and illegal use will result in cancellation of those privileges and appropriate disciplinary action. The district has the right to maintain and monitor all use of network activity.

224 Care of School Property

Each student in the district's schools are responsible for the proper care of the school property, school supplies and equipment entrusted to the student's use. Students who willfully cause damage to school property shall be subject to disciplinary measures. Students and others who damage or deface school property may be prosecuted and punished under law. Parents/Guardians shall be held accountable for the actions of their child.

237 Electronic Devices

Electronic devices may be used by students during the school day for academic purposes as specified by the classroom teacher, principal, or building guidelines using the district-provided, filtered connection to the Internet. Uses in district buildings, on district property, and engaged in student-sponsored activities beyond academic purposes will be designated by superintendent or designee. Possession and use by students of any device that provides for a wireless, unfiltered connection to the Internet is prohibited.

Student are prohibited from the capturing, sharing, distributing, or publishing of audio, video, text, or photographic content without the permission of the District, the person(s) part of the electronic media, or copyright holder. All content must comply with the District’s Acceptable Use Policy.

713 Protection of Property

As soon as any equipment is damaged, stolen, or lost, the person responsible for the item should report the incident to the building principal. Appropriate forms will be filed with the District and/or local police department as necessary.
